

CU-3MINI - LED Controller RGB

3-channel wireless mini LED controller,
with radio remote control.

- For controlling RGB LED strips
- Protected against overheating
- Transmission frequency: 433.92 MHz
- Operating range: 10 m
- Maximum load: 2 A per channel
- Power supply: DC 12 V/6 A or DC 24 V/6 A
- Dimensions: 51 x 14 x 6 mm
- Weight: 36 g

Technical data:

Description	: RGB LED controller
Nominal value	: -
Type	: 433.92 MHz
Colour	: white
Material	: plastic
Suitable for	: RGB LED strips
Power supply	: DC 12 V/6 A or DC 24 V/6 A
Admiss. ambient temp.	: 0-40 °C
Dimensions	: 51 x 14 x 6 mm
Length	: -
Mounting dimensions	: -
Weight	: 24 g
Connections	: -
Other features	: -
Packing unit	: 1
